Alex –

It looks like I'll be coming from HQ to the Portsmouth, NH PFAS community engagement programming. If I could be looped into any of the planning process going on at the moment, that would be much appreciated! Andrea mentioned something about a call today, if you could add me to that (or if there's someone I should contact, please let me know). Thank you!

Please let me know if you have any questions! Looking forward to visiting!

Molly
